ABOUT **US**

In 2009, a deep-rooted dream turned into a reality. We began with little selling salts at neighborhood markets occasions and celebrations yet as word spread, we immediately discovered our approach to make this brand global. With time we're further developing our item's quality and particularly our inventory network organization to eliminate every one of the obstacles that are occurring in our cycle. Additionally, We are acquiring advancement in the field of Himalayan stone salt items by offering new items to the market.

Certified Salt
100% Guarantee. we have trading certification.

Product Quality
we try our best to provide best quality products to our clients.
